WMU JANUARY MISSION OF THE MONTH

January’s Mission of the Month is McLeod NICU

WMU would like to promote the sanctity of human life by beginning the 2019 Missions of the Month with McLeod NICU (Neonatal Intensive Care), where the smallest, most fragile babies are safeguarded. When a baby arrives prematurely or with serious health issues, McLeod Neonatologists, Neonatal Nurse Practitioners, and specially trained nurses step in, giving this fragile, young life a chance to survive and grow. The McLeod Neonatal Intensive Care Unit carries the Level III distinction, one of only seven in South Carolina, indicating access to unique specialists, imaging capabilities, and breathing support to care for babies weighing as little as one pound.

Some bigger items NICU can use:

- Car seats for 5 lbs. and up (for those who don’t have one yet, but need a car seat test done)
- Pack ‘n Play

Smaller items needed:

- Preemie clothes for both boy and girl
- Big blankets that can cover the top of the isolette

Snack items for NICU waiting room:

- Crackers
- Snack-size chips
- Gum
- Mints
- Snack-size nuts
- Candy

Donations may be placed in (or beside if too large to fit inside) the boxes behind the sanctuary.

AWANA will resume on January 6.

The Church Office will be closed on Tuesday, January 1.

"But for you who fear my name, the sun of righteousness will rise with healing in its wings, and you will go out and playfully jump like calves from the stall." - Malachi 4:2
