MESSAGE FROM PASTOR MIKE

We are living in extraordinary times! The COVID-19 pandemic issue has dominated the news, but the gospel of Jesus dominates everything.

“He is before all things, and by him all things hold together. He is also the head of the body, the church...”
(Colossians 1:17-18, CSB)

I have been very encouraged by our church's response to the pandemic. You've done a great job of staying in touch, helping each other, and helping our neighbors. Also, the church's giving has been a testimony to your faithfulness. We so appreciate your finding the ways to go over, through, and around any obstacles to our mission.

Thank you for continuing to participate in our gatherings virtually. We've communicated with you, and to many times the normal number of people, through calvarycares.com, our app (Calvary Baptist Florence, SC), FaceBook, and YouTube. We realize that these means of communication are not perfect and are constantly working to improve. But we are blessed!

The next question on everyone's minds is when we can get back to normal. Currently, based on our best information, we have decided not to meet in-person until after May 31. The larger answer is that we don't know when we can resume live meetings, but we must be prepared that things will never be exactly the same. Instead, we will come back better and stronger! We have learned to communicate our message to a broader audience and we must be prepared to move forward with that, even as we regain the ability to meet in-person.

We will keep you apprised of major decisions, as they are made by staff and leadership. Stay in touch with all our internet platforms and especially help us reach out to those who may be uncomfortable with those media. Our staff and deacons have made special efforts to reach out to them. If you know of anyone we've missed, let us know.

God bless you and we pray for you constantly.

Pastor Mike
