

THE MESSENGER

Mission of the Month

WMU's February Mission of the Month is the McLaurin Elementary School faculty and staff. As you know, McLaurin is Calvary's adopted school, and they have just recently resumed person-to-person instruction for the second time this school year. It is an understatement to say that teachers and staff have encountered unprecedented challenges and difficulties. We would like to offer them our encouragement and show them support by collecting \$10 gift cards to Wal-Mart, Target, Hobby Lobby, Dollar General, or any other stores where they may shop for needed supplies. To provide one for each faculty and staff member, we'll need approximately 135 gift cards. Therefore, we are asking all Calvary members, whether attending these days in person or virtually, Sunday School classes, and mission groups for help. Gift cards can be dropped off to Jennifer or Robyn in the church office or deposited in the box in the church workroom. Thank you in advance for your generosity, your concern, and your support.

Awana will start back Sunday Feb 7th! We will meet from 5:30-6:30. Children 5k-6th will enter through the vestibule and come into the sanctuary for opening and then head upstairs for handbook time. Puggles and cubbies will come in the nursery door. Please email AHatchell@calvarycares.com if your children will be attending. Cost will be \$25 per child/ \$20 for each additional sibling. Register at the door. Parents - Amy needs 15-20 volunteers to help during AWANA. Please let Amy know if you will serve and what age group you prefer (Puggles, Cubbies, Sparks, or T&T).

WMU Leader Meeting

God willing, the WMU Leadership Team will meet in the conference room on Thursday, February 4, at 10:00 am.

Mission Engagers

Mission Engagers is scheduled to provide a to-go meal for Francis Marion's Baptist Collegiate Ministry (BCM) students on Tuesday, February 16. Details about how this will be handled and how many to prepare for will be shared as soon as arrangements are finalized.

Wednesday Nights
