Mission of the Month

April's Mission of the Month: Connie Maxwell Girls' Home in Florence

The Pee Dee Girls' Home in Florence provides residential care to eight girls. The girls attend local schools and have opportunities to be involved in extracurricular and recreational activities. Family involvement is encouraged, and the girls participate in recreational activities on a regular basis. The girls are active in a local South Carolina Baptist Church. For more information about the Connie Maxwell homes throughout the state, visit conniemaxwell.com.

We will collect their most needed items through the month of April. These items include:

- Paper products: paper plates, cups, napkins, toilet paper, paper towels
- Liquid laundry detergent

Donation boxes will be available in both hallways behind the sanctuary. Thank you, in advance, for helping care for these children.

WMU Letter

Dear Calvary Family, you need to know that you all are awesome! WMU undertook a Mission of the Month in February that was ambitious: providing a gift card to EVERY member of McLaurin's faculty and staff to let them know that we appreciate and support them, especially this school year which has been unpredictable, erratic, and, yes, scary and all-consuming for everyone. But, with God behind us and with people working together, all things are possible. A total of 144 gift cards were collected; notecards were prepared; and they were distributed on March 26, the same day that we provided a chicken bog lunch for McLaurin. NONE of this would have happened without YOU - individuals, SS classes, mission groups (young and mature—not old, of course). There isn't a "Thank You" big enough to express our appreciation to you; we offer all praise to God, and our hope is that He has been glorified.

Ann Jones, WMU Director
