Mission of the Month

May's Mission of the Month: Pee Dee Coalition Against Domestic and Sexual Assault

Pee Dee Coalition is a private, non-profit, volunteer organization dedicated to the reduction of sexual assault, family violence, and child abuse and to the needs of its victims in the seven-county Pee Dee region of SC, which includes Florence, Darlington, Marion, Chesterfield, Marlboro, Dillon, and Williamsburg counties. The coalition accomplishes its mission through (1) direct victim assistance, including 24-hour crisis intervention and support services, emergency safe shelter for female family violence victims and their children, and a multidisciplinary children's advocacy center, and (2) a comprehensive prevention education program, domestic violence offender intervention program, and widespread community education and training. We will collect personal toiletries for women and children. Bins are located behind the sanctuary in the hall on both sides.
